Sacramento, California | Nationwide Talent Delivery

ABOUT STAFFING SOLUTIONS UNITED

A flexible staffing partner built to help organizations scale with confidence.

WHO WE ARE

Staffing Solutions United (SSU) is a woman-owned staffing and recruiting firm providing responsive talent solutions for organizations that need qualified professionals without sacrificing speed, service, or candidate quality.

We operate as an extension of the client's team — aligning talent strategy with business outcomes.

MISSION

Connect employers with high-quality talent while delivering a transparent, responsive, and partnership-driven experience.

APPROACH

Recruit with urgency, communicate clearly, and tailor each search to the client's environment, culture, and business goals.

DELIVERY

Direct hire, contract, contract-to-hire, surge recruiting, and executive search support.

REACH

Nationwide recruiting support with experience serving enterprise, public-sector, and growth-stage environments.

CORE CAPABILITIES

End-to-end recruiting support designed for speed, flexibility, and accountability.

01 Contract Staffing

Flexible workforce support for project-based, interim, and contingent needs.

02 Contract-to-Hire

Evaluate talent on the job while maintaining a path to permanent employment.

03 Direct Hire

Full-cycle recruiting for professional, technical, operational, and leadership positions.

04 Executive Search

Targeted search support for Director, VP, and C-suite leadership roles.

05 Surge Recruiting

Rapid recruiting capacity for hiring spikes, new programs, expansions, and hard-to-fill initiatives.

06 Recruiting Support

Sourcing, screening, candidate engagement, coordination, and pipeline development.

INDUSTRIES WE SUPPORT

Cross-functional recruiting expertise across professional, technical, and operational talent.

INFORMATION TECHNOLOGY

Software • Data • Cloud • Cybersecurity • Infrastructure • Product • Project/Program Management

PROFESSIONAL SERVICES

Human Resources • Talent Acquisition • Administration • Customer/Client Support

EDUCATION & PUBLIC SECTOR

Program Support • Operations • Administrative • Finance • Technology

WHY STAFFING SOLUTIONS UNITED

A high-touch recruiting model built around partnership, access, and execution.

SPEED

Agile sourcing and candidate engagement designed to move quickly on urgent and hard-to-fill roles.

QUALITY

Structured screening aligned to the role, environment, required skills, and client expectations.

ACCESS

Diverse sourcing channels and targeted outreach to passive, specialized, and difficult-to-reach talent.

FLEXIBILITY

Multiple engagement models to support permanent hiring, contingent labor, and changing workforce demand.

COMMUNICATION

Clear updates, fast feedback loops, and a single point of accountability throughout the search.

PARTNERSHIP

A consultative approach focused on long-term relationships rather than transactional resume delivery.

OUR DELIVERY PROCESS

A disciplined recruiting workflow with clear checkpoints from intake through placement.

Client feedback is incorporated at every stage to continuously refine the search.

FLEXIBLE ENGAGEMENT MODELS

Choose the staffing model that best fits your hiring volume, urgency, and workforce strategy.

DIRECT HIRE

Permanent placement for individual contributors through leadership roles.

Best for: critical permanent hires

CONTRACT / CTH

Contingent professionals for project, interim, or evaluation-to-hire needs.

Best for: flexibility and speed

SURGE RECRUITING

Dedicated recruiting bandwidth to support multiple open requisitions or hiring initiatives.

Best for: hiring spikes and expansions

EXECUTIVE SEARCH

Focused, high-touch search for senior leadership and specialized strategic roles.

Best for: Director, VP & C-suite

LET'S BUILD YOUR NEXT GREAT TEAM.
